Oakville, On| +1(647)679-0332 | alekhinartem874@gmail.com

## Summary

As an IT co-op student who is passionate about what I do, I know your organization will benefit from my skills, creativity and drive. Adept at coding, testing and debugging in Java, C#, Python and HTML, I thrive on challenge! Also, I am good in web and front-end development. If I don't know the answer to a technical problem, I am able to research and implement an appropriate solution.

## Experience
